FOR MYSORE STATE

Home Department

Memorandum No. 235324/Transport. I/57-4 dated 20th Nov. 1953.

Motor Vehicles - Applications for permits and renewal of permits etc. - Procedure in dealing with technically defective applications - Instructions.

From the Secretary, Central Road Traffic Board,
No. 1691/E1/53 dated 17-3-1953.

The Government observe that in many cases the Transport Authorities reject applications for permits and for renewal of permits, etc. on purely technical grounds; for e.g. for not applying in the proper form, for not filling up the columns of the application forms correctly, for not mentioning the route correctly in the application, addressing the application to wrong transport authority, etc. Government consider that the Transport Authorities should not be so technical in these matters but should help in every possible manner the applicants for permits, etc. by informing them of the correct procedure, rules, etc. The Government therefore consider that the instructions in Memorandum No. 78610/Tr. I/52-2 Home, dated 30-5-1952 should be modified. In supersession of the instructions in Memorandum No. 78610/Tr. I/52-2, Home, dated 30-5-1952, the Central Road Traffic Board is informed that the transport authorities should be instructed not to reject applications on purely technical grounds, but to return them for resubmission after rectification of defects and to help the applicants by informing them of the correct procedure etc.

2. Orders amending rule 134(A)(Xiii) suitably will be issued separately.

V. Hanumantha Rao,
Joint Secretary to Government.

To

The Secretary, Central Road Traffic Board, Madras-8.
